Report of the trustees (incorporating the directors' report) for the year ended 31 December 2010

The trustees present their report and the financial statements for the year ended 31 December 2010. The trustees, who are also directors for the purposes of company law and who served during the year and up to the date of this report are set out on page 1.

Structure, governance and management

The company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on the 24th July 2008, and is also registered with the Charity Commission.

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

Objectives and activities

The principal object of the company is to provide facilities relating to Sabbath observance in the London Boroughs of Harrow and Barnet.

Achievements and performance

Financial review

The committee is satisfied with the funds raised so far, but will continue to raise funds so that the operation of the Eruv can be implemented and maintained.

Reserves Policy

It is the policy of the Trustees to raise sufficient reserves to meet the costs involved in the project.

Plans for future periods

To start and complete the construction, to organise education as appropriate and to supervise and maintain the structure.

Statement of trustees' responsibilities

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

David Landau resigned as Independent Examiner during the year and Andrew Passer FCCA ATT was appointed in his place.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part VII of the Companies Act 1985.

(A company limited by guarantee)

Independent examiner's report to the trustees on the unaudited financial statements of The Stanmore and Canons Park Synagogue Eruv Committee.

I report on the financial statements of The Stanmore and Canons Park Synagogue Eruv Committee for the year ended 31 December 2010 which comprise the statement of financial activities, the balance sheet and the related notes. These financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007), under the historical cost convention and the accounting policies set out therein.

Respective responsibilities of trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts, you consider that the audit requirement of section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charities Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (i) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Acthave not been met; or
- (ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to financial statements
for the year ended 31 December 2010

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

1.1. Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2007), the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005 (SORP 2005) and the Companies Act 2006.

1.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

1.3. Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.
